A complete [menu](https://menuweb.menu) of Dragon House zhu from Mexico covering all 24 menus and drinks can be found here on the menu. Located in the Bishops Arts area, Enzo's offers a unique twist on traditional pizza with a flatbread-style crust. The artichoke dip and fresh salads were a hit with a party of 6, while the bartender and waiter provided friendly and attentive service. Although the pizza was not the typical style, everyone enjoyed it. The atmosphere was lively and the location was excellent. Overall, a good experience that left the group wanting to return for more. The menu is extensive and tasty, with a preference for Chinese dishes over Japanese. Service was praised for its attitude and quality, although there were occasional mix-ups. Dragon House received praise for its consistent good service and food quality, although some found the tea to be expensive. Being able to bring a bottle of wine that complemented the flavors of each dish, the overall experience was flavorful and outstanding. Despite a few hiccups with reservations and server language barriers, Enzo's is a great choice for Taco Tuesday with its fantastic sea bass and baja fish tacos, along with amazing chips and salsa. Happy hour specials make it a must-try despite the potential for higher costs.
