A comprehensive [menu](#) of Houlihan's Restaurant & Bar-South from Springfield covering all 24 dishes and drinks can be found here on the menu. Houlihan's in Springfield is a mixed bag, with some diners enjoying their meals while others experiencing disappointment. The shrimp and linguine left one customer dissatisfied on their birthday, with overcooked pasta and oversalted Cabrera slices. Another customer lamented the removal of favorite menu items. However, others raved about the 'shrooms' appetizer and combination fajita platter. The late-night atmosphere and excellent service, including standout servers like Logan and Madison, were highlights for many. The bartenders, like Danielle, were also commended for their friendly service. Overall, the general consensus leans towards a positive dining experience at Houlihan's South, with delicious food, attentive service, and a welcoming ambiance.
