On this site, you will find the **complete [menu](#) of Green Beanery** from West Toronto. Currently, there are **23** meals and drinks available. Located in a bustling area, this cafe fell short for many customers. Complaints ranged from condescending staff to bland baked goods, and inconsistent coffee quality. Despite these drawbacks, some visitors enjoyed the atmosphere and selection of vegan and non-vegan options, as well as the coffee-related store and on-site roastery. The cafe's urban feel was appreciated by some, but others felt the layout was cramped and in need of attention. The general consensus was that while the coffee was top-notch, the overall experience left much to be desired.
