The menu of **Domaine Artefact Vineyard and Winery** from Escondido includes 24 dishes. On average, **dishes or drinks on [the menu](#)** cost about \$41.5. The categories can be viewed on the menu below. Domaine Artefact winery pleasantly surprised us with their food quality and variety, despite having no permanent restaurant. The white wines were particularly enjoyable. The lack of live music on a Saturday afternoon impacted the atmosphere. The service was fantastic and the ambiance lovely, with sustainable toilets in the bathrooms. The property was beautiful, dog-friendly, and staff were welcoming. The live music, friendly staff, and spectacular wines make it a perfect hangout spot, especially at sunset. Overall, Domaine Artefact is a charming and delightful winery, perfect for relaxing with friends and enjoying delicious wine in a beautiful setting.
