A comprehensive [menu](#) of Firestarter Pizza from Dennis featuring all 47 meals and drinks can be found here on the menu. Firestarter Pizza stands out as a culinary gem in Cape Cod, blending artisanal craftsmanship with community spirit. While the wood-fired pizzas, especially the pepperoni, garner rave reviews for their perfect crust and savory flavor, the salad offers a disappointing portion-to-price ratio. Mixed experiences with the ordering process and restaurant communication have sparked some frustration among visitors, yet many express unwavering loyalty. Regular customers appreciate the care and effort Margot and her team put into their offerings. Overall, Firestarter [Pizza](#) remains highly regarded, inviting diners to plan ahead and enjoy a unique pizza experience worth the wait.
