The menu of Cinnabon from Mesa comprises about **23** different courses and drinks. On average you pay about \$9.8 for a dish / drink. At Schlotzsky's, patrons find themselves divided in their dining experiences. While some rave about the flavorful sandwiches and fresh ingredients, others highlight disappointing customer service and long wait times. Complaints range from forgotten orders to mediocre packaging of delivery items. The warm atmosphere and friendly staff have won over first-time visitors, yet many express concerns about pricing in today's economy. Overall, Schlotzsky's offers a tempting menu, particularly for those armed with coupons, but whether the food lives up to the hype remains a point of contention among diners. Improvement in service could enhance the overall experience.
