Here you can find the [menu of The Halal Guys](#) in San Francisco. At the moment, there are **25** dishes and drinks on the food list. In the heart of downtown, this halal restaurant offers a mixed experience for patrons. While some guests commend the generous portions, fresh ingredients, and friendly staff, others lament the inconsistencies in food temperature and flavor compared to iconic NYC street vendors. Issues such as cold meals, missing sauces, and lackluster service have marred the dining experience for some. Nevertheless, for late-night diners seeking quick, healthy options, this spot remains a convenient choice with customizable meal options. Ultimately, it seems the restaurant's potential is overshadowed by variability in execution, leaving it a hit-or-miss destination.
