Here you will find the [menu](#) of **Tops China** in Charlotte. At the moment, there are **30** dishes and drinks on the menu. Located in a convenient spot, this restaurant boasts a mixed bag of experiences. Diners rave about the shrimp fried rice, chicken wings, and generous portions, highlighting the freshness and value. However, service issues, such as inattentive staff and cleanliness concerns, detract from the overall experience. Some patrons report dissatisfaction with specific dishes, citing undercooked chicken and lackluster flavors. While the food quality has fluctuated since a change in ownership, those who appreciate good, affordable meals may still find a reason to return—if they can overlook the grime and occasional attitude from the staff. Overall, a promising yet inconsistent dining option.
