The menu of Heart Attack Grill from Las Vegas contains about **26** different courses and drinks. On average you pay about \$7.8 for a dish / drink. This restaurant promises an unforgettable experience, blending entertainment with dining in a hospital-themed atmosphere complete with waitstaff in scrubs. Diners don hospital gowns while enjoying indulgent, cholesterol-laden dishes, particularly burgers. The environment is lively and entertaining, featuring playful rules like "spankings" for unfinished meals and quirky decor. However, opinions on the food quality are mixed, with many guests finding it mediocre at best. While the service tends to be friendly and engaging, diners should expect to pay for drinks and navigate a warm, bustling atmosphere. This spot excels in entertainment but may fall short for food enthusiasts.
