On this homepage, you will find the **complete menu** of **Sushi Avenue** from [Wilsonville](#). Currently, there are **61** dishes and drinks available. Sushi Ave offers a humble, “hole-in-the-wall” charm with friendly, attentive service and a diverse menu featuring both sushi and cooked dishes. While some praise its freshness, flavor, and excellent teriyaki options, others find the sushi—especially nigiri—disappointing, bland, or lacking freshness. Portions tend to be small and prices on the higher side. The atmosphere is casual but clean, with enough parking and a relaxed vibe. Overall, it's worth trying for teriyaki and rolls but may fall short for sushi purists seeking top-tier quality and innovative flavors.
