On this website, you will find the **complete [menu](https://menuweb.menu) of Chocosol Traders** from Toronto. Currently, there are **27** meals and drinks available. ChocoSol's food and drink offerings are deeply rooted in interculturality and radical hospitality. Our menu celebrates the connection between maize and cacao, sourced directly from communities in the south such as Mexico, Ecuador, and the DR. We have also developed a local supply chain of Ontario-grown Maize, chillies, pumpkins, and other ingredients. Our simple yet beautiful menu highlights the seasonality of ingredients and showcases a regenerative supply chain model, both locally and internationally. Expect a unique and welcoming introduction to a tasty food revolution that is ecological, nutritious, and delicious. Indulge in expertly curated chocolate boards, drink flights, hand-pressed freshly stone-ground tortillas, and our famous tamales with special fixings. Visit our cozy upstairs tasting room and join our green roof tours to leave inspired and eager to learn more.
