A **complete [menu](#) of Tomatina** from Alameda covering all **27** courses and drinks can be found here on the card.

Tomatina boasts a diverse menu with standout dishes like piadine, Rigatoni Creamy Pesto, and Chicken Parmesan, receiving praise for their authentic flavors and attentive service. Nevertheless, inconsistencies abound; guests have reported slow service, incorrect orders, and overly oily food. While some patrons rave about the fresh, made-to-order meals and excellent waitstaff, others express disappointment over long wait times and unseasoned dishes. Despite its challenges, favorites like lasagna and kid-friendly pizzas offer value, making Tomatina a restaurant worth visiting—albeit with caution. Overall, the potential for a delightful dining experience remains, depending on timing and expectations.
