A comprehensive [menu](#) of La Poissonniere from Les Îles-de-la-Madeleine featuring all 28 dishes and drinks can be found here on the menu. Despite high expectations for fish and chips, the dishes were disappointing with one tasting like frozen fish. However, the sushi offered truly fresh and delicious seafood options. While the maki rolls were a letdown, the lobster poutine was exceptional. The restaurant offers a diverse selection of seafood, as well as the option to dine in with good quality seafood dishes. The staff is friendly and accommodating, making for a pleasant dining experience. Overall, the restaurant is recommended for purchasing seafood to enjoy at home or for dining in.
