A complete [menu](#) of The Loretto At Mission from Mission covering all 28 menus and drinks can be found here on the food list. Loretto offers a vibrant atmosphere with delicious food, but experiences vary widely among patrons. While many rave about the delectable menu options, such as the beef Argentinian empanadas and the Pesto bowl, others express disappointment over inconsistent service. Complaints include long waits for tables and orders, unsolicited hovering from staff, and overwhelming noise levels due to live music, which detracted from the dining experience. Despite these issues, some guests appreciate the attentive service from specific staff members and the quality of the food, suggesting that Loretto's charm may be worth navigating its service hiccups.
