A comprehensive [menu](#) of Hong Kong from [Cochran](#) featuring all 28 menus and drinks can be found here on the menu. At this restaurant, diners encounter a wide range of experiences. While the buffet offers a commendable selection and well-seasoned food, the service leaves much to be desired, with issues like self-service for drinks and table clearing. Customers praise some dishes, particularly the Sweet and Sour Chicken, yet lamented instances of cold, flavorless food and unwelcoming staff. The ambiance fails to impress, with some even deeming the establishment unworthy of a return visit. Ultimately, diners seeking delicious Chinese cuisine may have to weigh the pros and cons before deciding whether this buffet meets their standards.
