The menu of Bella's Fine Dining from Dothan contains about **38** different dishes and drinks. On average you pay about \$10.5 for a dish / drink. Bella's offers a captivating atmosphere amplified by live piano music, yet diners report inconsistencies with the food and service. While some praise the attentive staff and delightful appetizers like perfectly fried calamari, others express disappointment over salty dishes, cold sides, and long wait times. Despite the ambiance and historical charm of the venue, the quality of the main courses seems to fluctuate, leaving some diners unsatisfied. For special occasions, the restaurant can impress with notable service and memorable experiences, but regular diners may find the quality lacking. A visit could be worth it, but with tempered expectations.
