A comprehensive [menu](https://menuweb.menu) of Courtyard Pub from Roscoe featuring all 60 dishes and drinks can be found here on the list. ****Dining Experience at the Courtyard: A Mixed Bag**** Nestled in Roscoe, the Courtyard offers a quaint atmosphere and a modest menu. While some dishes shine, like the wings and fried fish, others falter—overcooked calamari and underwhelming appetizers mar the dining experience. Service can be inconsistent; at times, patrons feel neglected amidst a local crowd. Soggy fries and greasy onion rings detract from the overall impression. However, many rave about the friendly staff and inviting outdoor seating overlooking a golf course, making it a potential gem for a casual meal. Despite some pitfalls, the Courtyard may suit those seeking a laid-back spot in the area.
