On this webpage, you will find the **complete menu** of **The Cellar Pub And Grill** from [Elora](#). Currently, there are **29** meals and drinks available. Great outdoor patio, but meals were disappointing. Slow service, undercooked calamari, and a hit or miss with the entrees. Exceptional gluten-free options and delicious appetizers. Service was top-notch, but atmosphere indoors lacked. The Wild Mushroom Crostini was a standout. Good lunch prices and wonderful spinach flatbread. Kid-friendly with a kids' menu. Overall, a fantastic date night spot with delicious food and drinks. Accommodating for pets with water and a designated seating area. Patrons loved the patio and would return for drinks but not necessarily for the food.
