Nestled within Jekyll Market, Love Shack BBQ and Shrimp offers an outdoor dining experience with a limited but appealing menu centered around shrimp and BBQ. While some dishes, like the perfectly fried shrimp and substantial portions, garnished praise, others, such as the lackluster BBQ and bland mac and cheese, left diners underwhelmed. The service was often criticized for its slowness, with some patrons questioning the value considering the prices. Overall, this casual eatery is a convenient option worth a visit for its location and fresh ingredients, yet diners may find mixed results in taste and service.
