Here you will find the [menu](#) of Milano Family in Springfield. At the moment, there are **68** dishes and drinks on the menu. Milano's Family Restaurant offers a cozy atmosphere and a diverse menu that includes Italian and Greek dishes. Diners praise the friendly service and affordable prices, with standout favorites like the shrimp Santorini and reuben sandwich. However, recent visits reveal inconsistencies, such as underwhelming portion sizes, varying food quality, and delivery challenges, which detract from the overall experience. While some find comfort in its reliable options, others express disappointment over the decline in standards. For a casual family outing, Milano's still holds potential, but it may be wise to manage expectations.
