The restaurant from Patchogue offers **29** different **menus and drinks on the card** at an average price of \$11.3. Crispy's has emerged as a mixed-bag dining experience, particularly known for its chicken wings, which have generated a loyal fanbase due to their variety and flavor. While many patrons rave about their succulent offerings, including the honey BBQ and garlic parm wings, others have expressed disappointment regarding inconsistent quality, especially with sides like undercooked waffle fries. Happy hour specials catch attention, but the bar's watered-down drinks have drawn critique. Overall, while some diners find bliss in Crispy's culinary delights, others urge caution due to service delays and food quality. There's potential for greatness amid the inconsistency.
