A **comprehensive menu** of Jim's Steakhouse & Pub from Springfield covering all 33 menus and drinks can be found here on the menu. Jim's restaurant offers a quality dining experience with a variety of menu items that have received high praise from customers. While some have had issues with overdone steak and unpleasant green beans, others have raved about the fantastic mussels, attentive service, and perfectly executed steaks and sides. The quaint atmosphere and non-chain style of the restaurant have also been a big hit among diners. The staff, including servers like Colton, Sophia, and Mandy, have been commended for their excellent service and knowledge of the menu. Overall, Jim's seems to be a popular choice for special occasions or casual dinners, with some customers considering it their favorite place to eat. The attention to detail, variety of menu options (including gluten-free), and inviting atmosphere make Jim's a recommended spot for a great dining experience.
