The menu of Goa Indian Farm Kitchen from Toronto contains about **84** different dishes and drinks. On average you pay about CA\$17 for a dish / drink. Goa, nestled within a bustling shopping center, presents a varied experience for diners. While some praise the vibrant, flavorful offerings such as Sriracha cauliflower and curries, others lament a lack of spice and slow service during off-peak hours. Despite its inviting atmosphere, especially on the patio, many feel the pressure to vacate as closing time approaches. Frequent patrons commend the consistency and quality of the food, though pricing raises concerns. Ultimately, Goa caters well to casual dining, but customers may find themselves divided on the overall experience, balancing excitement with occasional disappointments.
