On this website, you will find the **complete menu** of Basil N' Spice from Worcester. Currently, there are **33** meals and drinks available. Nestled on Shrewsbury Street, this Thai restaurant presents a varied culinary experience. While some diners rave about the flavorful, authentic dishes like choo chee salmon and shrimp Pad Thai, others express disappointment with inconsistency in taste and portion sizes. Issues such as overly sweet curries and gluten cross-contamination have been reported. Despite high prices and occasionally lacking service, many patrons appreciate the fresh ingredients and friendly staff. With a menu that caters to gluten-free options and tantalizing flavors, this restaurant could be worth a visit for those seeking quality Thai cuisine, albeit with caution on specific dishes.
