Here you will find the [menu](#) of KFC in Amherst. At the moment, there are **50** dishes and drinks on the menu. This restaurant offers a mixed dining experience. When staffed well, the fried chicken and coleslaw receive high praise for taste and quality, with friendly, attentive service enhancing the visit. However, inconsistency is a major issue, especially during night shifts, where food quality, timing, and customer care notably decline—cold meals, missing sauces, and poor kitchen management have been reported. Some customers face long waits and unsatisfactory sides, while others appreciate quick takeout and helpful staff. Overall, the restaurant shines during daytime operations but struggles with consistency and service in the evenings, making it a hit-or-miss choice for diners.
