Montarra in Algonquin is known as the "hidden gem" of the Northwest Suburbs. Executive Chef Joshua Lynn offers a menu featuring Black Angus Aged Steaks and fresh seafood delivered daily. Using locally grown produce and beef, Chef Lynn creates a Contemporary American Cuisine with International influences. The extensive wine list with over 40 wines by the glass from more than 10 countries enhances the dining experience. The restaurant's ambiance, with a relaxing "water wall" and two "Chihuly" inspired chandeliers, is reminiscent of downtown Chicago. Experience the best of Montarra, where Phil Vettel of the Chicago Tribune gave glowing reviews and wished it was closer to the city.
