On this site, you will find the **complete menu** of **Purple Onion** from SALUDA. Currently, there are **88** menus and drinks available. Purple Onion in [SALUDA](#) offers a dining experience that's as varied as its menu. While the ambiance strikes a balance between casual and upscale, diners report inconsistency in service and food quality.

Many praised the attentive staff and unique dishes, such as crispy fish and creative [vegetarian](#) options, complemented by a robust wine list. However, some faced long waits and mediocre meals, with concerns over food preparation. Overall, guests appreciated the inviting outdoor space and were particularly impressed by the friendly atmosphere. Although opinions are divided, many agree it's worth a visit, especially for the daily specials.
