Here you can find the [menu](#) of Hava Java in Spring Valley. At the moment, there are **34** meals and drinks on the card. At this beloved cafe, the allure of its delectable menu is often overshadowed by service and pricing concerns. While patrons rave about popular items like the breakfast bagel and pancakes, many express frustration over long wait times and overcrowded seating. A notable complaint is the overwhelming saltiness found in some dishes, particularly the bagels, which has led to disappointing experiences. Though the food is praised for its flavor and quality, high costs and inconsistent preparation may deter repeat visits. Overall, this café's charm lies in its offerings, but it faces challenges that affect customer satisfaction.
