The menu of Hummus Medditeranean Selden from **Selden** comprises about **44** different courses and drinks.

On average you pay about \$5.3 for a dish / drink. Once celebrated for its vibrant and fresh Mediterranean cuisine, the restaurant has faced a disappointing transformation, now offering pre-packaged meals and merchandise instead of beloved made-to-order dishes. Patrons are disheartened, lamenting the loss of their flavorful favorites such as gyros and rice bowls. While some menu items remain reliable, the shift to refrigerated meals has alienated loyal customers. However, there are still glimpses of promise, as certain dishes maintain their quality and the staff continue to provide friendly, accommodating service. Ultimately, the establishment's identity crisis may deter former enthusiasts from returning.
