The place from Elizabeth Bay (NSW) offers **35 different dishes and drinks on [the menu](#)** at an average A\$16. Shuk offers a delightful menu of authentic Middle Eastern cuisine, celebrated for its delicious food and inviting atmosphere. While many patrons rave about the superb brunch options and friendly staff, service inconsistency casts a shadow on the overall experience. Reports of order mix-ups, lack of table clearing, and varying staff demeanor have left some diners frustrated. Although the food remains a strong draw, with highlights like the Israeli-style breakfast and Cilbir bagel, improvements in service quality are necessary. For now, Shuk remains a notable choice, albeit with a cautious recommendation.
