At the moment, there are **46** meals and drinks on the menu. ****Restaurant Review: A Mixed Bag of Asian Cuisine**** Nestled in a modest strip mall, this Asian restaurant offers a diverse menu that has sparked a range of opinions. While dishes like the crab rangoon and sushi receive high praise for their flavor and quality, other offerings, such as the sesame chicken and pad Thai, have disappointed diners with blandness and poor texture. Prices skew on the higher side, particularly for smaller portions. Service has been described as friendly but occasionally slow, likely due to staffing challenges. Overall, this restaurant presents a culinary mixed bag—promising for some, while leaving others unsatisfied in their quest for authentic Asian flavors.
