A complete [menu](#) of Tavern On Central from Florence covering all 33 courses and drinks can be found here on the food list. Nestled in a charming area, this restaurant offers a rustic dining experience with an extensive menu and inviting atmosphere. Many patrons rave about the exceptional broasted chicken and unique Bloody Marys, often highlighting the deep-fried green beans as a must-try. While the food generally receives high praise, service inconsistencies have been noted, with some guests experiencing long waits and less-than-attentive staff. Although the ambiance is cozy, a few diners felt overlooked and disappointed by the handling of food issues. Overall, the restaurant remains a recommended stop for good food, though a better focus on service could enhance the experience.
