On this webpage, you can find the **complete [menu](#) of Miller's Ale House** from Franklin. Currently, there are **36** courses and drinks available. Miller Ale House offers a mixed dining experience, marked by issues of service and food quality. Long wait times have been reported for seating and orders, coupled with a perceived lack of enthusiasm among staff. While some dishes, like the blackened salmon Caesar salad and potstickers, have received praise, others have fallen short, with complaints about bland flavors and incorrect orders. However, there are glimpses of excellent service, particularly from attentive staff, which suggests potential for improvement. For those seeking a lively sports bar atmosphere with diverse menu options, it may still be worth a visit, provided expectations are tempered.
