A comprehensive [menu](#) of Smokin Yard's Bbq from [Idaho Springs](#) featuring all 53 menus and drinks can be found here on the menu. Smokin' Yards offers a mix of exceptional and disappointing dining experiences. While many patrons rave about the tender brisket, flavorful pulled pork, and welcoming atmosphere, others cite issues with food quality and service inconsistencies. The casual BBQ joint ambiance attracts both locals and travelers, despite questions about the tipping practices and recent changes in ownership. The menu highlights such favorites as burnt ends and fried okra, making it a popular stop for BBQ enthusiasts. However, some diners express hesitations about returning due to recent declines in food standards.
