Pretty Much Perfect

The only bad thing about our experience at The Green Room is that they don't have another restaurant near our home! We dined here on the night of our staycation in Scarborough and thought it was fab. It's excellent value, the food is amazing and the service is friendly too. If this restaurant was in Manchester they could charge more and you'd still be happy.

My evening was beautiful. Loved the Sloe Gin and the choice of beers.
