A complete [menu](https://menuweb.menu) of Panda And Takeaway from Oamaru featuring all **37** dishes and drinks can be found here on the menu. ****Panda Restaurant: A Culinary Rollercoaster**** Panda Restaurant presents a mixed bag of dining experiences that leave patrons divided. While some rave about the mouthwatering roast duck and exceptional burgers, others lament over tough, bland dishes and questionable authenticity. Standout favorites include the generous portions of fish and chips, vibrant Yangzhou fried rice, and highly praised sweet and sour pork. The atmosphere fluctuates between cold and bustling, depending on the day, and service quality varies widely. Despite a few missteps, many diners commend the restaurant for its reasonable pricing and diverse menu, making it a notable destination in Oamaru for those adventurous enough to try.
