**The menu of Naan-tastic from Amherst** contains about **38** different dishes and drinks. On average you pay about \$6.8 for a dish / drink. Naan-tastic offers a vibrant ambience reminiscent of a modern cantina, yet responses to its menu vary dramatically. While some patrons praise the generous portions and authentic flavors, others express disappointment over overcooked rice, poorly executed dishes, and price points that feel excessive. Issues with service, including food handling practices, have raised concerns among diners. Nevertheless, the restaurant's unique fusion offerings, like Naan tacos and flavorful bowls, have won over many first-time Indian cuisine enthusiasts. Ultimately, Naan-tastic might delight those seeking a casual dining experience, but diners should remain discerning about their choices.
