On this webpage, you will find the **complete menu** of **Trailside Bar Grill** from Ridgeway. Currently, there are **39** menus and drinks available. Diners rave about the staff and atmosphere at this restaurant, but the food didn't quite hit the mark for many. Some found the fries greasy and the service lacking, while others enjoyed the burgers and wings. A unique menu with classic options and a cozy atmosphere with pool tables and fireplaces appeal to many. Despite mixed reviews, some guests enjoyed fresh and hot dishes like samosas and fish and chips. Overall, experiences vary, but many appreciate the ambiance and food offerings.
