The menu of Teaspoon [Burlingame](#) LLC from Burlingame includes 56 dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$6.6. You can view the categories on the menu below. Teaspoon in Hayward offers a fantastic location, but a recent unpleasant experience highlighted the importance of positive customer service attitudes. Despite this, the boba tea itself received mixed reviews, with criticisms of inconsistent strength and flavors. The overall consensus is that while Teaspoon has a refreshing flavor profile, it may not be the best choice for those looking for a more hearty boba experience. The staff, while friendly, seemed understaffed leading to longer wait times. A request to allow the use of boba tumblers to reduce waste was also made. In conclusion, Teaspoon remains a favorite for some, especially for its rotating fresh monthly flavors, but there are improvements needed in consistency and customer service.
