On this site, you will find the **complete [menu](#) of The Watermead Pub** from Cheshire West and Chester. Currently, there are **40** meals and drinks available. The Watermead restaurant has received mixed reviews as it navigates the challenges posed by the pandemic. While many patrons praise the friendly and attentive staff, cleanliness, and safety measures, the food quality has raised concerns. Diners reported issues with undercooked fish, overcooked steak, and a disappointing carvery experience. However, experiences vary, with some guests celebrating successful breakfasts and enjoyable staff interactions. Overall, the ambiance and service have garnered positive feedback, but the inconsistency in food preparation suggests a need for improvement. Many hope for a return to the restaurant's previous standards as conditions normalize.
