While some rave about the pizza's freshness and delightful atmosphere, others express disappointment over inconsistent flavors and service issues, including long wait times and less-than-friendly interactions. Favorites like the fettuccine alfredo and garlic toast gain praise, yet some feel let down by the pizza's taste and the lack of signature sauce. Despite these critiques, many continue to return for the vibrant decor and occasional complimentary perks, proving that Lu's still has a loyal customer base.
