A **comprehensive [menu](#)** of **White Hart Royal And Eatery** from Cotswold featuring all **42** dishes and drinks can be found here on the menu. The Snug bar offers a beautiful venue but experienced unfriendly staff. Service issues were noted during Sunday lunch, leaving customers feeling ignored and unwelcome. The food quality has declined, and the manager's response to feedback suggests a lack of quality control. However, some positive reviews mention excellent service, lovely food, and a delightful room perfect for a short stay. Despite the mixed reviews, the restaurant still offers great menu options and imaginative dishes at a reasonable price. Consider a visit for the lovely atmosphere and potential for a positive dining experience.
