The menu of P.j. Whelihan's Reading from West Lawn comprises about 73 different menus and drinks. On average you pay about \$6.4 for a dish / drink. PJ's presents a lively atmosphere perfect for sports enthusiasts, renowned for its cold beer and friendly service. While patrons often praise dedicated staff like the skilled bartender KB and attentive servers like Aniyza and Brandi, food quality seems inconsistent. Complaints include dry, lackluster dishes like the chicken quesadilla and cold meals at large gatherings. Despite a few standout items, such as delicious wings, many guests report a need for improved management and training to enhance the dining experience. If you seek a casual spot for bar fare and games, PJ's may suffice, but others advise exploring alternatives in West Reading for a more polished meal.
